PLATINUM TESTS

Platinum Educational Group is Helping Nursing Programs Raise Their Pass Rates

Affordable Online Testing Platform

The staff at Platinum Educational Group understands the obstacles of budgets when it comes to programs looking for affordable online solutions to assist your students. It is especially difficult raising and keeping pass rates up due to limited reasonably priced resources, questionable content validity, and higher cost of study tools that your program experiences. In 2016, Platinum created their online exam simulation platform, called PlatinumTests.com, for nursing training institutions.

Some of the unique qualities that distinguishes PlatinumTests.com from other NCLEX study prep companies include:

- **True Computer Adaptive Testing that mimics the NCLEX exam testing format.**
- **Test simulator that can accurately predict your students' NCLEX exam readiness.**
- **Detailed reporting that shows topic and module strengths and weaknesses.**
- **Unlimited testing! No cap limits on how many tests a student can take.**
- **Affordable. Only a one-time fee of \$45 for LPN/LVN students and \$90 for RN students.**

Access to over 3,000 PN and 4,000 RN objective-based questions written and reviewed by industry experts in nursing.

Stop spending hours creating your own tests or paying a king's ransom for a quality solution! We have an affordable online testing solution that will amaze you! We would be honored to show you our online testing solution. Simply click the link below, select your State, and **then find a time that works for you!** We look forward to meeting you!

Behind the Scenes of the Employee Background Screening Process

By Levi Perkins, Corporate Screening

As an employer, you already see the benefits of employee background screening in action. It helps you make well-informed hiring decisions and manage hiring risks for your organization.

But for candidates, the prospect of an employment background check may be a source of worry, frustration, or even confusion. Candidates may not understand what is involved in a background check, their rights, or how the information yielded from a background check can influence their employment opportunities.

Based on what candidates know about background checks or what they've experienced in the past with other employers, it can be challenging for them to undergo background screening with your company. However, by taking deliberate steps to clarify the background screening process, you can keep candidates informed and help them navigate the screening process successfully.

From the Customer Support Team

How does “sign up by start date” work?

Q: How do “Sign Up By Start Date” and “Sign Up By End Date” work when I am setting up my students' opportunities?

A: The “Sign Up By End Date” lets you set the minimum number of days in advance a student can sign up for an opportunity. Entering the number “7” would mean that students can sign up for an opportunity no less than 7 days before it is scheduled. Entering a negative number, like “-20”, means that students have to sign up for this opportunity no later than the 20th of the previous month. Entering a specific date, such as “12/15/2021”, means that students must sign up for this opportunity by that specific date.

“The adaptive process was also super helpful in preparing me for the flow of the NCLEX. It was also a great motivator to keep pushing myself! Thank you Platinum Testing for dedicating the time and energy to create such a great product. I have and will continue to spread the word to all who will listen.” - Amanda Armbrrecht, RN
